

Dudley Earns Degree

Joyce Murdock Dudley received her Associate Degree as a Registered Nurse from Brigham Young University August 17, 1984. Joyce has been attending B.Y.U. full time for the past three years (which means driving up and down Provo Canyon winter and summer four or five

days a week), earned an A- (3.67) grade point average, maintained a home and family, active in community affairs (member planning commission and county chairwomen to improve road up Provo Canyon), fulfill church responsibilities as well as doing a multitude of various other jobs. Success comes through dedication, hard work, and sacrifice which have been exemplified by her achievement. Congratulations on your accomplishment - you will make a fine nurse.

Joyce Dudley

trade, if any is made, will definitely be in the best interest of the state.

We are pleased with our local leaders in their efforts to stop the trade, and hope they continue to address the proper authorities letting them know the mistake it would be for this exchange to take place.

Defensive Driving Course Classes Announced

evening. We get very little exposure to the hot sun of the summer day.
